

The following Corporate Social Responsibility (“CSR”) projects as recommended by the CSR Committee were approved by the Board of Directors of Suyog Telematics Limited for Financial Year 2025-26.

Sr. No.	Head	Activity
1.	Promoting Education	• Providing education and vocational training to children with physical disabilities through the Drishti Foundation, with the objective of promoting their empowerment, self-reliance, and social inclusion. • Promoting sustainable living, mental health and well-being, student enrichment, and teacher capacity building through Parisar Asha, through targeted educational and community development initiatives.
2.	Rural Development Projects	Rural Development, Community Mobilization and Plantation Initiatives through Jay Harihar Krupa Foundation, aimed at promoting sustainable rural development, strengthening community participation, and enhancing environmental sustainability through plantation and related community-based initiatives.
3.	Promoting health care including preventive health care.	Provision of Ambulance Services to Hospitals through Suyog Healthcare and Wellness Foundation, with the objective of strengthening healthcare infrastructure and facilitating timely and accessible emergency medical transportation for patients in need.
4.	Eradicating hunger, poverty and malnutrition	Distribution of Food Items to Economically Vulnerable Communities through Jay Harihar Krupa Foundation, with the objective of supporting food security and nutritional well-being among underprivileged individuals, without distinction based on caste, creed, or social background.
5.	Protection of Culture Heritage	Preservation of Cultural Heritage and Promotion of Rural Development through Swarveda Mahamandir Trust, aimed at conserving and promoting cultural heritage while supporting sustainable and inclusive development in rural communities.
6.	Promoting Gender Equality, Empowering Women	Promotion of Education, Women’s Empowerment, and Skill Development through Disha Prathishthan Foundation, aimed at enhancing access to education, fostering women’s empowerment, and developing employable skills to promote sustainable livelihoods and socio-economic advancement.
7.	Ensuring Environmental Sustainability	Environmental Conservation and Agricultural Development through Jay Harihar Krupa Foundation, aimed at promoting environmental sustainability, supporting sustainable agricultural practices, and enhancing the livelihoods and socio-economic well-being of rural communities.
